

Back To School Immunizations

A black and white line drawing illustration. In the upper center, a black rectangular box contains the text "Back To School Immunizations" in a white, bold, sans-serif font. Below the box, the scene is populated with children and oversized school supplies. On the left, a young boy in a striped shirt and pants stands next to a young girl in a patterned dress, both holding a very large pencil vertically. In the center, a girl in overalls sits on a large, open suitcase; a large apple with a worm is on the suitcase next to her. To the right, a boy is sliding down a large ruler that is propped up like a slide. A bottle of immunization, with a needle and a small figure on the label, sits on the ruler near the bottom. The entire illustration is rendered in a simple, bold line-art style.

August 11 & 12, 2003
8 am — 4 pm

There will be treats and door prizes for those being immunized.
